Okarito Birdlife Tour

Exploring the superb birdlife and untouched serenity of New Zealand's largest unmodified wetland, over 3000 hectares of lagoons and wildlife rich waterways. Nature, bird, eco and photography enthusiasts will enjoy the open air boat, allowing an unobstructed experience with 360 degree views amongst feeding birds including the graceful *Kotuku* – Great White heron, Royal Spoonbills, the intrepid godwits from Siberia and Alaska, the leggy Pied Stilts, and many others. Having lived on the West Coast for 40+ years, your guide Swade readily identifies birds and native forest plants. The towering Southern Alps, Mount Cook and Mount Tasman and Franz Josef Glacier make for a spectacular backdrop to the coastal and rainforest environment on clear days.

Early Bird Tour

Ideal for early summer and summer conditions - great for photography with beautiful light and generally very calm conditions. Can be the best time to see birds feeding on the lagoon.
