Waitomo Caves & Hobbiton Movie Set Private Tour

You have the unique opportunity to experience these 2 world-famous visitor attractions in one wonderful day on your Private Tour. On the way, we take you to points of interest along the route. At Waitomo, experience the world-famous Glowworm Caves on a 45-minute tour, which includes a boat ride on an underground stream. After an optional lunch in Waitomo, we continue on to the Hobbiton Movie Set, setting for both "The Lord of the Rings" and "The Hobbit" trilogies. This tour lasts about 2 hours and will give you a wonderful introduction into how these movies were made and which parts of the movies were filmed here. See the Hobbit holes and Bag End, the Green Dragon Inn, the Mill and the famous Party Tree. At the end of the tour of the Hobbiton Movie Set, you will return to Auckland or continue to your next destination.

Bay of Islands Private Tour

On the way north we stop to look at some magnificent Kauri trees, which are famed as being some of the world's tallest and most impressive trees. In the Bay of Islands we can stop at the historic Waitangi Treaty House. It was here, on February 6, 1840, that the Pakeha Governor Hobson and the Paramount Chiefs of Aotearoa (New Zealand) signed the document which formed our bi-cultural nation. Ceillhe Tewhare Teneti Hema Sperath (Director of our company TIME Unlimited Tours) is a direct descendant of two of those Paramount Chiefs; Patuone and Tamati Waka Nene.

Just a few steps from the Treaty house is Te Tii, Aotearoa New Zealand's most famous Marae, or meeting place. The Whare Whakairo (carved meeting house) here is exquisite; it displays every example of traditional decoration, from whakairo (carving) to (kowhaiwhai) painted scroll patterns. Below the Treaty House and the Marae near the water's edge lies Ngatokimatawhaorua, the huge, beautifully carved waka of the Ngapuhi Iwi who are the tangata whenua or local people here.

You also have the option to take a cruise around the Bay of Islands to see the very best of this stunning area including the famous hole in the rock (own cost). You are also very likely to see some of the many Dolphins that live here. There are several alternative options for cruising the Bay of Islands at varying prices, so to give you the option to include exactly what you are looking for, we can certainly help you to book it (at own cost).
