America's Cup Sailing

Feel the magic of sailing an authentic America's Cup yacht. Professionally run, no experience required. Your crew will show you how to take the helm, steer on course or work hard on the grinders to hoist the mainsail. A thrilling and rewarding two hour hands-on sailing adventure on Auckland's Waitemata Harbour.

Discover the excitement of sailing these impressive vessels. They were once part of the action of the America's Cup, the worlds' oldest active sports trophy and most prestigious sailing regatta.

Get involved on the grinders, steer from the helm and find out what it takes to get one of these race yachts moving.

Relax with the wind in your face as you sit back and chat to our professional crew about the techniques, tactics and principles of sailing these boats.

Take the opportunity to see the contrast of natural landscapes and city skyscrapers that line the harbour from the best view in town.
