Mountain View Suites

Tongariro Suites @ The Rocks is set in 1 hectare of New Zealand native landscaped gardens. While we are just a few hundred meters of the highway, you will be surrounded by only peace and quiet while admiring the views towards Mt Ruapehu from your suite. The property opened its doors in March 2014 and offers a fresh approach to accommodation in the Ruapehu region. The four suites are furnished with European flair and touches of bold colours that bring life to the property. All suites have generous living areas to relax in after a busy day exploring the Tongariro National Park. We offer a child free and smoke free environment.

A choice of restaurants is available within a 10-15 minute drive and offer outstanding kiwi cuisine. There is also a range of eateries and cafes available in Ohakune.

For summer activities we are conveniently located for the Tongariro Crossing, mountain biking with the Old Coach Roach Cycle trail starting at our door step, walking in Tongariro National Park and exploring the Whanganui River by jet boat and canoe, not to mention paddle boarding and quadbike adventures close by as well.

For winter activities, we are located halfway between both of the main ski fields on the North Island, Whakapapa and Turoa ski fields are just a 30 minute drive from Tongariro Suites.
