

Cape Farewell Horse Treks

Golden Bay, Nelson Region

Clifftop & Beach Horse Treks

Spectacular horse trekking in some of the most beautiful parts of Golden Bay - between Farewell Spit and Wharariki beach. An ever-changing terrain from roads to flat, grassy paddocks, hill climbs, and sandstone tracks to big open beaches. All with amazing views.

Pamela & James reckon they live in the most beautiful place in New Zealand. The main focus is on having a great time and giving people a chance to live their dreams, something we Kiwis don't realise...that we are so lucky to live here.

"We won't just take you for a ride"

Old Man Range & Triangle Valley

The combination of these 2 treks is simply stunning.

There are views in all directions and the terrain is always changing. It's up, down, over and around this is one of our favourite treks.

If you want scenery that will leave you speechless. This is just the best trek in New Zealand. And there are no worries about the low tide as this trek is all overland and can be ridden at any time of the day.

Departs flexible | Duration 3 hours

Wharariki Beach Trek

This is a great beach to ride—with its white sand and West Coast surf, it has it all. Ride through the caves and watch the seals and their babies play in the rock pools that are left after the tide has receded.

For the more adventurous, a canter down the beach is thrilling—the sound of your horse's hooves as they hit the sand, and the sea breeze in your face is an awesome feeling!

A fabulous trek, it takes you climbing above the beach and crossing over the lush green hills of the Pūpunga Farm Park. It offers great views from the beach from many different angles and of the Kahurangi National Park.
