Otago Rail Trail & Luxury Cycle Tours

The Central Otago Rail Trail is an iconic multi-day bike ride along a disused railway line amongst historic gold-mining villages and tiny rural settlements. It has grown to be the best known of New Zealand's Great Rides. Ride over historic viaducts, through dark (but not too long) tunnels and stop along the way at small country hotels for scones or a beer, enjoy comfort in the evening at a mixture of Victorian cottages, farmhouses or boutique lodges. The full trail runs between Clyde and Middlemarch for 152 kilometres but you can also opt for shorter 1 or 2-day rides. Trail Journeys will assist you with full itinerary planning for a New Zealand biking holiday, guided or independent and supported. Generally, riders start from either Clyde or Middlemarch.

Trail Journeys is a family-owned and operated business providing all the services associated with bike touring including bike hire, transport, luggage transfer, accommodation bookings and friendly knowledgeable guides. Their hire bikes are specifically designed with Avanti for reliability and comfort on the Trail. With depots at both ends of the trail, a large fleet of vans and buses and experienced drivers and guides they can provide personal service for all group sizes and trips.
