Directions

1.5 kms south of the Waipoua Forest on State Highway 12
45 kms north of Dargaville on State Highway 12

Nearest roads: Waipoua Settlement Road (250m to the north) and Marlborough Road (1.1km to the south)

There are two options of which route to take from Auckland which gets very congested during rush hour (7.00 to 9.30 am and 3.00 to 6.30 pm):

From Auckland

Aranga, Northland

Waipoua Lodge - Northland

Option 1: State Highway 1 northbound which will take you through Auckland city and any rush hour traffic;

or

Option 2: State Highway 16 westbound which is more scenic and whilst longer can be faster during rush hour traffic. This route joins back into State Highway 1 at Wellsford.

Toll Road – State Highway 1

If you decide to take State Highway 1 you will encounter a toll road. Tolls can be paid and selected service stations and online.

Whichever direction you decide to take they both will join together at Wellsford and follow SH1 north to Brynderwyn where you will turn left onto SH12. There is a large new orange 'Kauri Coast' sign 500m before the turning. Follow SH12 all the way to Dargaville where you will cross the river and reach a T junction. Turn left and follow the road through Dargaville until you cross another small bridge and the river is on your left. You will then have a sharp right turn signposted Waipoua Forest (Corner Store on junction). Turn right and you will find the lodge, on the right, **exactly 45kms from this turning** – there is a Kauri Gum Store opposite. If you reach the start of the Waipoua Forest you have gone a little too far.
